**ORDER:**

The petitioners claim that they have been engaged as Helpers in the Engineering Section of Sri Bramaramba Mallikarjuna Swamy Devasthanam, Srisailam since 1987 on contract basis and in the capacity of NMRs from the year 1990 onwards. In the matter of consideration of their cases for absorption in terms of G.O.Ms.No.212, Finance and Planning (FW.PC.III) Department, dated 22.04.1994, the Executive Officer of the Temple, the second respondent herein, forwarded proposals to the first respondent through proceedings, dated 31.12.2004. The grievance of the petitioners is that no action has been taken thereon.

Heard the learned counsel for the petitioners and the learned standing counsel for the second respondent.

The question as to whether the cases of the petitioners covered by the scheme or the course of action indicated in G.O.Ms.No.212, dated 22.04.1994, needs to be considered by the first respondent. A Three-man Committee was constituted for consideration of these cases. When the second respondent has submitted proposals way back on 31.12.2004, duly narrating the relevant facts and circumstances of the case, the first respondent is under obligation to take necessary follow-up action in accordance with law.

Hence, the writ petition is disposed of, directing the first respondent to pass appropriate orders on the proposals submitted by the second respondent through

proceedings, dated 31.12.2004, within a period of three months from the date of receipt of a copy of this order. There shall be no order as to costs.
